**Subject:** Top Hat Updates & Canvas Training

## Top Hat Updates Coming: Aug. 16

A few updates to Top Hat will appear in the system after **Aug. 16**, including a change to the integration connection in Canvas.

## How to Create an H5P Account

Before you can begin to use H5P to create dynamic interactive content for your courses, you must first create an account. In this article, we've mapped out everything you need to know.

## Aug. 16: Top Five Canvas Integrations for Course Innovation

You can learn more about H5P, as well as Peerceptiv, Flip, Perusall, and Gradescope, in our **Aug. 16** workshop!

## New Faculty Orientation Events

New Faculty Orientation continues on **Aug. 17**, with a research workshop session on STEM. Visit our website for information, links to register for upcoming sessions, and recordings of past workshops to help you get acclimate to teaching at Pitt.
