Dear Professor,

Please consider forwarding this message to your graduating students interested in teaching [chemistry](#).

Southern Teachers will hold a Job Fair on **Saturday, March 28**, at the Omni Hotel in Charlottesville. K-12 private/independent school administrators will be interviewing at this hiring event. Read more about the fair here: [Charlottesville Job Fair](#).

Why should you consider applying to Southern Teachers?

- Southern Teachers has matched great candidates with schools in the South since 1902.
- We take the time to interview candidates and get to know the person, not just the resume.
- Private/independent schools seek teachers with subject-matter expertise and a passion for working with children and adolescents. **Certification is not always required** (except in elementary grades and specialty areas).

If you are interested in attending the Job Fair, apply now at [SouthernTeachers.com](#).

Want a good job? A great life? Be a Teacher!

Thank you for your consideration.
