The LSU Department of Chemistry is a leading research and teaching-intensive program within the largest public institution in the state of Louisiana.

Our faculty and students are working in some of the most exciting areas of modern chemistry, and we are one of the best-equipped chemistry departments in the nation with facilities that include NMR, XRD, TEM, mass spectrometry, light scattering, microscopy, spectroscopy, polymer characterization, and computational simulation.

Explore our campus and uncover new paths that can take you wherever you want to go. Discover LSU.

FALL 2020 EXTENDED APPLICATION DEADLINE IS NOW JULY 15

We will also accept applications for students interested in starting in the Spring 2021.

Meet us for our Virtual Coffee Hour every Thursday from May 21 to July 9, 2020 @ 2 PM (CDT) on Zoom (Meeting ID:962 0069 9860)
