Subject: Arcadia University MS in Forensic Science Information Session

Greetings from Arcadia University,

We will host an online information session for our **Master of Science in Forensic Science** program on **Tuesday, November 30th from 6-8 PM EST**. Please pass this along to any students interested in this career path. Our information session will be conducted by Program Director, Dr. Karen Scott. We will also have current MSFS students presenting about their experience and showing the facilities virtually. Please share [this link](#) with any students who may want to register.

Our FEPAC accredited program is 2 years full time and offers hands-on experience in a wide breadth of specialities such as forensic biology, forensic chemistry and forensic toxicology. The online graduate application is now open with a priority application deadline of January 15th.

Please let me know if you have any questions. Thanks!
