**Subject:** Office Hours April 11-15: Chemistry Teaching Jobs

[SouthernTeachers.com/Chemistry-Jobs](https://SouthernTeachers.com/Chemistry-Jobs)

Dear Prof,

*Thanks for taking the time to read this message and for forwarding it to graduating students who may be interested in teaching.*

**Thought about Teaching?  
Not an Education Major?**

We are holding Virtual Office Hours April 11-15 for you to learn more. [Schedule your chat today](#)

The busiest hiring season of the year is upon us. While we recommend **applying** as soon as possible to be available for these opportunities, we understand you may have questions about private schools, necessary qualifications, or how our **free** teacher placement services work. We have organized this event as an opportunity to answer your

questions.

Apply for Chemistry Teaching Jobs

### Are you qualified for these jobs?

- Teacher certification is prized, but NOT required for middle and high school positions.
- Schools are looking for new grads with majors or minors in Chemistry.

### About Us

Southern Teachers is an education recruitment firm working with over 700 K-12 private schools in the South. Our personalized teacher placement service helps you run an efficient job search and discern the best opportunities for you. We learn about your experience and the parameters of your search (position type, schools type, and geography), and make referrals based on the information you've given us and our knowledge of our schools. **Our services are free to candidates!**

Best wishes,
