

# Undergraduates Teaching Undergraduates (UTU) Program for General Chemistry

## Call for Applications - Fall 2023

The UTU program for General Chemistry was started by Dr. Michael Golde over 25 years ago, with the support of the National Science Foundation, US Department of Education, and the Dietrich School of Arts and Sciences. As we plan for the Fall term, we would like to recruit qualified undergraduates to join our current group of UTUs in two areas as outlined below.

	Active learning Facilitator	Laboratory Co-Teacher	Recitation Co-teacher	Review Session Peer-leader
Description	Work with a lecture professor to guide students through Process Oriented Guided Inquiry Learning (POGIL) activities	Work with a laboratory instructor to help supervise students at the lab bench	Co-teach a recitation section for Dr. Madison's lecture course	Co-teach a weekly review session for Dr. Madison's lecture course
Time spent Teaching	1-2 hours per week	3 hours per week	1 hour per week	1 hour per week
Preparation Time	Mandatory 1hr meeting held on Thursday or Friday Afternoons			
Compensation	Earn up to 2 credits of CHEM 1720 (Undergraduate Teaching) per term			

To qualify as a UTU you must:

- Be a rising sophomore, junior or senior.
- Have completed CHEM 0110 and 0120 (or the equivalent) by the end of the current term with good grades.
- Be enthusiastic about teaching and mentoring other students.

**Apply using the QR Code!!**  
**If you have any questions, email**  
**Dr. Madison ([tam7@pitt.edu](mailto:tam7@pitt.edu))**  
**Deadline: July 15, 2023**
