

# Undergraduates Teaching Undergraduates (UTU) Program for General Chemistry

## Call for Applications - Fall 2020

The UTU program for General Chemistry was started by Dr. Michael Golde over 20 years ago, with the support of the National Science Foundation, US Department of Education, and the Dietrich School of Arts and Sciences. As we plan for the Fall term, we would like to recruit qualified undergraduates to join our current group of UTUs in three areas as outlined below.

	Active learning Facilitator	Recitation Co-Leader	Laboratory Co-Teacher
Description	<ul style="list-style-type: none"><li>• Work with a lecturer to guide students through Process Oriented Guided Inquiry Learning (POGIL) activities</li></ul>	<ul style="list-style-type: none"><li>• Work with other UTUs to help small groups of students practice lecture concepts during recitation</li></ul>	<ul style="list-style-type: none"><li>• Work with a laboratory instructor to help students complete laboratory experiments</li></ul>
Time spent Teaching	<ul style="list-style-type: none"><li>• 1 - 2 hours per week (~50% of the classes held)</li></ul>	<ul style="list-style-type: none"><li>• 1 hour per week</li></ul>	<ul style="list-style-type: none"><li>• 3 hours per week</li></ul>
Preparation Time	<ul style="list-style-type: none"><li>• Attend a 1 hour weekly meeting</li></ul>	<ul style="list-style-type: none"><li>• Attend a 1 hour weekly meeting</li></ul>	<ul style="list-style-type: none"><li>• Attend a 1 hour weekly meeting</li></ul>

To qualify as a UTU you must:

- Be a rising sophomore, junior or senior.
- Have completed CHEM 0110 and 0120 (or the equivalent) by the end of the current term with good grades.
- Be enthusiastic about teaching and interacting with other students.
